

## **Stewardship Committee Meeting May 13, 2010**

**Present:** Fr. Rick, Lucy Dakin, Ann Buzanowski, Bev Lake, Mike Martinski

Meeting was opened with prayer by Fr. Rick and introduction of Mike Martinski, member of the Administration Committee.

Fr. Rick announced that our scheduled guest from the diocese, Annette O'Brien would not attend due to illness.

1. It was decided by the committee that we would postpone meeting with Annette O'Brien until we meet with Fr. Kevin.
2. **Advent Soup Suppers:** Fr. Rick outlined several ways in which the committee would be able to include a "Stewardship" theme at the 2010 Advent Soup Suppers. There will be three scheduled this year: **December 1, 15 and 22<sup>nd</sup>**. Since the last one is just three days before Christmas, it may be better to have an evening of prayer to bring our hearts into the peace of Christmas. The committee can volunteer to plan the prayer, meals and the program or just the program. The Women's Group has already committed to provide soup for the December 1<sup>st</sup> evening.

\* It was decided that the next step would be to meet with the Faith Formation Committee for the purpose of planning.

3. The committee gave Mike a description of their mission and goals: to become self educated regarding Stewardship and to draw up a master plan and time line to educate the parish. Additional members to the committee are needed. Presently, the committee is working with a six week small group study of the Stewardship Pastoral, **Stewardship: A Disciple's Response.**
4. The balance of the meeting was used to begin Lesson 3 in our workbooks.
5. Fr. Rick concluded the meeting with his appreciation to the members for their dedication.

Respectfully submitted,  
Bev Lake
